

WELCOME TO INFINITY GYMNASTICS ACADEMY

General Rules

1. Make sure that a **registration form** has been filled out for your child before the first day of their class. A registration fee of \$50.00 is due at the time of registration and is valid for one full year on the month that you pay it. **This fee is nonrefundable**. One fee per family.
2. The balance of your class fee is due the first day of class.
3. Children should wear leotards or shorts and t-shirts. Please no pants below the knees. We ask that all shirts be tucked in.
4. Jeans and belts are not allowed.
5. Children should be barefoot during class.
6. Hair should be pulled back if it is longer than the shoulders or falls into the student's face. Metal, plastic or beaded hair ties/bows are not allowed.
7. Students should never bring food or beverage into the gym.
8. Gum chewing is not allowed.
9. No jewelry should be worn during class.
10. Rules for the pit include: Feet or bottom first when jumping into the pit! No throwing the foam blocks!
11. Rules for the zip line: Must be supervised at all times. No pushing/shoving while waiting in line. One person at a time. You must let go of the zip line approx. half way down, dropping in the center of the foam block pit.
12. No gymnastics is to be done in the parent viewing areas or front lobby.
13. Class Cancellation Policy: If Brighton Area Public Schools close for the day due to **inclement weather** then our regular **morning** scheduled classes will **not** be held. For evening classes we ask that you call the gym at 810-229-4966 after 2:00 p.m. for a closing update. Also, if bad weather develops during the day, please call our telephone number and we will have a recording that will tell you if classes will be held. This also applies to Saturday classes. Make-up classes may be scheduled at the front desk.
14. **Class Refund Policy:** Tuition refunds for the balance of classes dropped will be given only in the first scheduled week of class and must be in writing either by e-mail or by filling out the "Request for Refund" form at the front desk.

Drop Off and Pick Up Policies

1. Students should wait in the parent viewing area until instructors call classes out into the gym.
2. Children are **never** allowed in the gym without the supervision of instructors.
3. If parents are staying to view their child's class please watch from the parent viewing area, not the gymnasium.
4. We ask that children wait for rides inside the facility. If parents are running late we ask that you call the office so that your child can be brought to the office to wait.

Make Up Policies

1. If students miss class, two classes are allowed to be made up. Parents should contact the office to find times for a relative class. Please schedule all make-ups with the office because of the fact that some classes are full. If a class is full and the make up has not been called into the office the student may not be allowed to participate that day.
2. All make ups need to be done within the session that classes are missed. We do not offer refunds for missed classes unless it is for an injury or severe illness, which prohibits the student from attending make up classes during the current session.
3. If students arrive later than 10 minutes into a 30 or 40-minute class he/she will **not** be allowed to participate. If students arrive later than 15 minutes for 55-minute class he/she will **not** be allowed to participate. This is not only distracting to the instructor and other students but also does not allow students to warm up properly.

*Thank you for joining Infinity Gymnastics Academy!
We look forward to working with your children!*
